

NEW FACES

The Twin Falls Housing Authority and the Housing Authority of the City of Jerome both have new board members. We are honored to have Mr. Terry Winkle join the TFHA board and Mr. Guy Stubbs join the HACJ board. Both will provide leadership and oversight to the organizations.

Mr. Terry Winkle

Mr. Winkle is a lifelong resident of this area and is also a well known local real estate agent and broker. Mr. Winkle has expressed a deep interest in the work done by TFHA.

The HACJ welcomes Mr. Guy Stubbs who is the owner of Hall & Associates Financial Services. Mr. Stubbs has spent much of his life in Jerome and is excited for the opportunity to serve the community.

Mr. Guy Stubbs

Both new commissioners will help the agencies to chart future paths forward as we focus on greater community impact. Please help me to welcome them both!

Sunny

A FAMILIAR FACE

Our team member spotlight is on Dustin Fiscus. Dustin has been with the housing authorities for 24 years. Yes! You read that right – **24 years!**

Dustin works in our maintenance department and Dustin is the one who usually takes care of your work orders.

In his spare time, Dustin enjoys time with his family, hunting, fishing, riding motorcycles and his razor. And a lot of his time is spent at soccer events cheering on his daughter.

We are grateful for Dustin's hard work and dedication to our agencies.

During the cold months, please remember that leaving your doors and windows open can increase heating costs. If you live at a property that includes all utilities in the rent, this may result in an excess utility bill being added to your account. Help us keep costs down as we work to conserve energy. It's a precious resource.

**TFHA and HACJ will be closed
December 23rd and 24th to be with
our families for Christmas and
December 30th at noon as well as
December 31st for the New Year's
holiday.**

This holiday season, all of us at
TFHA/HACJ wish you and yours
love, peace, and joy.
